Newsletter of the Wellington Branch of the Theosophical Society

June – August 2025

Dear Members

Welcome to our second term (June to August) of theosophical service and lodge activity.

For this term, we are focusing on theosophical teachings of three Eastern religions, which often don't get prominence (Sushma Webber our past Lodge President, will be taking these sessions). Then we have a practical focus, looking at the teachings of various sages, from both Eastern and Western traditions – June Vallyon, Bill Keidan, Susan Kirkham and myself (Simon Webber) will be taking these sessions. To end this term, Sushma Webber and I will present on the World Congress that was held in Vancouver (23-27 July 2025).

Healing Services and Members meetings will continue fortnightly (except for 26 July, as I am away).

Earthquake Strengthening

I am pleased to let you know that our Building Consent has been granted for completing the earthquake strengthening work – which specifically involves connecting the parapet (more securely) to the building (i.e., it will be connected to the roof). We were very fortunate that in the 1980s, members who were involved with this work (including Allan Morse, Murray Stentiford and John Vorstermans, among others) did such a great job, in that the building (excluding the parapet) still meets today's code of compliance.

Subscriptions

New changes to the Sections Constitution requires that members pay their annual membership fee at the start of the financial year (1 October). So, most of you have paid for 2025, which I thank you for. This is a heads up that when you receive your third term newsletter, you will also receive a request to pay your membership fee by 1 October 2025 (for the 2026 year).

For those of you who are two years in arrears now (i.e., have not paid since the 2024 financial year), you should pay as soon as possible (for the 2005 financial year), to avoid being lapsed.

Account Name: Wellington Lodge of the Theosophical Society

Account Number: 38-9007-0433248-00

I wish you all a very happy and wonderful time over our next term of service. May the Masters continue to guide us in our work.

God Bless
Dr Simon Webber
Lodge President.
